ACCording to the President Al McCloud

Fellow ACCC Members,

Happy Holidays Fellow Corvette Club Members, It's that time of the year to spread joy and happiness to family, friends, and in some cases, strangers. Many of these strangers are children. That brings me to ACCC's "Toys for Tots" event coming up on December 8th. If you have not indicated that you will be supporting this event, please let Steve Argubright or myself know so we can add you to the list. We have invited the Battlefield Club to join us and right now they are outnumbering us at our own event. Not what I expected - but **YOU** can remedy that situation by supporting our event, bring some toys, and caravan with us to the USMC museum. I would love to see more of our board members and other members support our event. We will have a good time.

Next weekend, December 9th, is our annual Christmas Party. We will be partying at Bravo Restaurant in the Spotsylvania Towne Center. Should be a good time, with good food, among great friends. Hope to see you there. Thanks to the party committee that put this event together - Dottie Shadbar, Nan Wehmeyer, and Marie Sizemore. Give them a shout out at the party.

Events will be scarce until good weather arrives again sometime in March/April. We will still have our monthly breakfasts and monthly membership meetings. Nan Wehmeyer is planning a Valentine's Brunch for the club in February - keep an eye out for that and come out for some Valentine Brunch.

I have the new brochures and will start handing them out to members at breakfast on Saturday. Please put them in your glove compartment and if you see a potential new member, give them one.

Until next year, have safe holidays! Merry Christmas and a Happy New Year!

Al McCloud

November 14, 2018, ACCC Business Meeting Minutes

The Meeting was called to order at 7:33 PM by President Al McCloud. There were no new members or guests present.

John Horvath motioned to accept the August Minutes. Seconded by Dave Shadbar. The motion carried.

NCM Ambassador. Bud discussed a host of ACCC and Museum events. Please check the Museum web page for more information on these and more interesting events. Dec 1 will be the monthly breakfast at the American Buffet in Fredericksburg. Car & Driver made the Grand Sport one of the Top 10 cars of the year.

Treasurer. Dottie Shadbar gave an accounting of the Treasury outlays and deposits. The account is in good standing. Dottie also announced that we have 21 people paid so far for the Christmas party.

Membership. Marie Sizemore reported that we have 41 members renewed thus far.

Newsletter. Pete Rutledge reported the newsletter will be out on time and encouraged members to participate with articles or items they may want to advertise for sale. If you'd like to see your car on the cover of the newsletter, please post of photo of it on the ACCC website "garage" section.

Past President. Skip Sizemore had nothing to pass.

President. Al McCloud announced the he was producing an updated brochure. He brought in a sample with up to date photos and information.

Sunshine. Nan Wehmeyer reported that Maryanne and Louise Donner had been ill with pneumonia.

Old Business. Steve Argubright discussed the Toys for Tots. Members of Battlefield will join us. Dec 8th we will meet at 11AM at Navy Federal Credit Union on Rte 1 in Stafford; Bud mentioned that the ad for the Caravan magazine was funded; Al discussed the Hickory Ridge cruise, which was a good time. Dottie mentioned that for the Christmas party, don't forget to bring a gift if you want participate in the exchange. Gift cost should be no more than \$25; Joan Yaros discussed the trip to Biltmore. It was a great time and members from BCC participated. Joan also picked up \$25 raffle tickets for the Caravan, and a chance to win 4 nights at the Fairfield Inn at Bowling Green. Second place is the \$500 parking spot at the Museum; Dave Jones and Steve Argubright discussed the Dominion Raceway trip. It was a great time. We had 9 members there, including some from Battlefield. Participants had to follow the pace car, which moved at a pretty good clip. The cost was only \$10, which included lunch.

Al discussed the election for this evening. John Horvath made a motion to accept the nominations. The motion carried and the following officers will serve in 2019.

President - Al McCloud

Vice President - will remain vacant until we a replacement is found and elected.

Membership - Marie Sizemore

Past President - Skip Sizemore

Secretary - Lee Morton

Treasurer - Steve Argubright

Newsletter Editor - Pete Rutledge

New Business. There was no new business.

Al read the birthdays and anniversaries.

Dottie Shadbar won the 50/50 - AGAIN!

John Horvath motioned to adjourn. Motion seconded by Dave Shadbar. The meeting adjourned at 8:06PM.

Dave Jones gave a great presentation on the repair of the pop-up headlights on his 1996 Corvette. Dave brought in the headlamp assembly as part of his presentation. Very well done!

AQUIA CREEK CORVETTE CLUB

The purpose of this organization shall be to provide educational needs for those with Corvettes, and for the preservation, restoration, and enjoyment of all Corvettes.

NOW IN OUR 31ST YEAR

Aquia Creek Corvette Club (ACCC) was formed in September 1987 by a group of die-hard Corvette enthusiasts from Aquia Harbor in Stafford, VA. The name was selected reflecting the Club's geographic and historical origins in the Old Dominion. Through hard work and commitment, ACCC has enjoyed constant growth and now boasts 54 members representing nearly 70 Corvettes, from a 1953 to 2018. ACCC membership consists primarily of Stafford County residents, but has members from Prince William, Fairfax, Fauquier, Spotsylvania, Orange, Culpeper, Loudon, Louisa counties, and two in Florida. Since September 8th, 2014, the ACCC Facebook Group has been limited to ACCC members only, except for a few that were already group members.

ACCording to the Vice President

It's Black Friday, the day after Thanksgiving and I'm sitting here wondering where 2018 went - we still have a bag of Halloween candy and the fridge is full of leftover turkey and trimmings, and now Christmas is almost here. We just can't seem to keep up with the calendar. At least the ACCC list of events for the next couple of months is short - please note that our monthly breakfast is on Dec 1, and there will be no monthly club meeting; it's replaced by our Christmas party.

ACCC Events Calendar - December

Dec 1 - 9:00AM - Monthly breakfast at Great American Buffet, 1780 Carl D Silver Pkwy., Fredericksburg

Dec 8 - The ACCC Toys for Tots event - meet at 11 AM at the Navy FCU, Rt.1 in Stafford - we will drive to the Marine Corps Museum to drop off the toys and have lunch in the Tun Tavern.

Dec 9 - ACCC Christmas Party at Bravo, Spotsylvania Town Center; 12 Noon-3 PM. There will be a nice lunch and gift exchange. Members \$15; non-members \$29.

Bud

Looking Ahead

Jan 5, 9 AM - Monthly breakfast at Four Seasons, 5201 Jefferson Davis Hwy, Fredericksburg

Jan 15 - ACCC monthly meeting, Aquia Harbour. We're still looking for a volunteer to be our 2019 vice president; please consider it!

Jan 23 - 28 - Daytona Rolex 24, Daytona Beach, FL. The very popular Museum-sponsored tour may be sold out - check availability at corvette-museum.org

Aug 26-Sept 1, 2019 - Corvette Caravan to the 25th anniversary celebration of the National Corvette Museum, Bowling Green, KY. This major event is held once every five years. Our caravan (Maryland, Delaware, West Virginia, Carolinas, VA) will start with a day of activities in the Charlotte area before the 2-day drive to Bowling Green. Registration for our caravan and the events in Bowling Green are open - see both registration forms at www.corvettemuseum.org or www.corvettecaravan.org. Hotel rooms are going fast - decide now!

NCM AMBASSADOR NEWS

October 2018

Bud Donner

The Museum is offering a special series of Caravan - 25th Anniversary 8 inch hexagon bricks to be installed on Corvette Boulevard in front of the Archives office. The brick will have a special caravan logo and three lines of text (13 spaces/line). The price is \$200 for NCM members, \$250 for non-members, tax deductible. You can design and order yours at www.corvettemuseum.org.

Those of you who have participated in Museum events in recent years are familiar with the good work of Events Manager Karen Renfrow, who joined the Museum staff in 2006. Karen retired recently, and her Assistant Events Manager Bryce Burklow has been promoted to the Manager position. Congratulations to both!

You can always find a complete listing of future Museum events on the NCM website corvettemuseum.org - from the home page, click "Explore" and "Events".

It's less than a year to the big event - the National Corvette Caravan and 25th Anniversary Celebration. All of the information is on the Museum's website - there are two registration forms you'll have to submit - one for the celebration at the Museum, and another for our caravan (Carolinas, Virginia, Maryland, Delaware and West Virginia). Registration instructions are in the Virginia and Carolinas section of the website. The NCM has added a special event - a Jefferson Starship concert with fireworks on Aug. 29. Thousands have already signed up for this once-every-five-years celebration, so start making your plans to attend NOW! You can help pay for our Route Book by putting a photo of your Vanity plate on a special page - the tax-deductible donation is \$35 for one, \$50 for two plates. Just send a business card-size photo of each plate to 2redvettes@att.net, and send a check to Chris Wood, 11607 Clingman Lane, Charlotte, NC 28214

ACCC CORVETTE RACING REPORT

December 2018

Skip Sizemore

The IMSA WeatherTech SportsCar Championship has ended for the 2018 season along with all other major racing series. Don't worry Corvette racing fans the 2019 season gets underway in January with the 24 Hours of Daytona. However, despite the great 2018 performance of the Corvette racing team there are concerns on the horizon.

One concern for the 2019 season is the Corvettes' performance. The car that will open the 2019 season at Daytona is the same car that closed out the 2018 season. The Corvettes struggled for wins during last season and I believe that will continue during the first part of 2019. There will be some minor changes to the car for the first part of 2019, there always are but, I do not believe any major performance gains will be made until the mid-engine car appears at LeMans, France in June.

The second concern for 2019 is Chevrolet recent move away for passenger cars. Americans have been moving away from sedans and coupes into trucks and SUVs. Chevrolet will continue to sell Corvettes and Camaros but you have to wonder how long this will continue. The market of enthusiast continues to dwindle and you know the GM bean counters will be looking at the return on investment. A case can be made for what the notoriety and engineering knowledge gained from racing (think about Porches reputation gained from racing) can do for a company. However, dollars are what matter in business and quantifying gains from racing can be difficult. Keep your fingers crossed or better yet. let Chevrolet/GM know you want the Corvette to continue.

Corvettes race in other racing series besides IMSA for example the Sports Car Club of America (SCCA) Trans Am series. Next year in addition to IMSA I will try and gave some information on these other racing series and how our beloved Corvettes are doing.

Until next time,

Skip

Track Day at Dominion Raceway, Thornburg, VA

By Dave Jones

The Battlefield Corvette Club invited the ACCC to join them on November 10 at Dominion Raceway in Thornburg, Virginia, for a day of fun and excitement. They arranged track time for club members, and passengers, to enjoy. Representing ACCC were Steve Argubright, in his C7, and the writer, in his C4, on what was a beautiful Fall day, with blue sky and cool temperatures, a perfect day for racing. A total of 9 Corvettes, some with passengers, met at the raceway at 9:45. After signing the necessary waiver, a tour of the facility was provided followed by a safety brief.

At 11:30 we took the track for 10 laps of excitement. The 2-mile road course is a minimum of 36' in width with 12 turns, some of which are banked. There is a 70' difference in elevation on the course and the straight stretch is 2700' in length ending in a challenging sharp left turn.

The event was a "Paced" event, meaning all participants would follow a pace car, which was a Mazda Miata, with no passing allowed. The first lap was a "get acquainted" lap to allow us to get familiar with the track, with the speed increasing with each successive lap. I am not sure about Steve but the fastest speed I attained on the straight stretch was 85 mph. While this seemed to be quite fast we heard that the course can accommodate speeds in the 140-150 mph range. After the event a lunch was provided in the Highway 118 Bar. The cost of the event was \$10, which was to cover the lunch. The best \$10 I have spent in a long time.

This was a great event that tested not only the Corvettes that we own but also the skill of the drivers. A big thanks to BCC and especially Roger Howell for arranging the event and leading us through the morning. Roger indicated that he may schedule a similar event in the spring and I would recommend it for those who would like to have some fun and experience first hand a real road course to find out what your Corvette can do.

Every Child Deserves a Little Christmas

Annually, the U. S. Marine Corps Reserve **Toys for Tots** Program collects toys, and distributes them to less fortunate children in the community. The primary goal of **Toys for Tots** is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

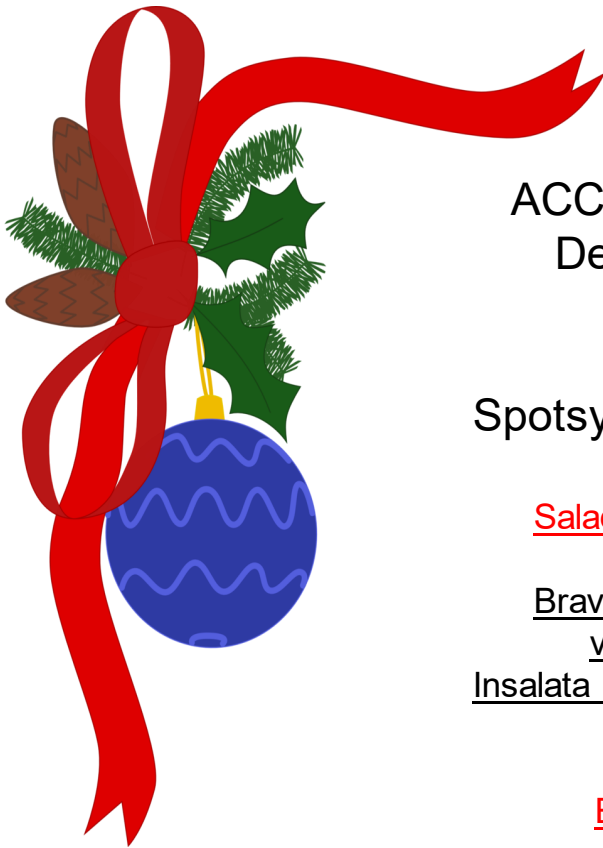

This is our second annual event of supporting this program!! Be a secret Santa!! Please bring a new, unwrapped toy or two at 11:00am on Saturday, December 8 to the Navy Federal Credit Union parking lot located in the Quantico Corporate Center near the back gate of Quantico MCB, 100 Corporate Dr., Stafford, VA 22554. From there we will proceed to the National Museum of the Marine Corps, and make our deliveries.

This is a great program for us to support. Last holiday season, the **Toys for Tots** program conducted nearly 800 local campaigns covering all 50 states, DC and U.S. Territories. With generous help from the American public, the Marines and volunteers distributed **18 million toys to 7 million** less fortunate children! This year, think about bringing two gifts, one for a boy and one for a girl. After delivering the toys, members may wish to proceed to the Tun Tavern Restaurant at the museum for lunch.

Please address any comments or concerns to Steve Argubright at stephfa@comcast.net.

Registering for the 2019 Corvette Caravan

[THE FOLLOWING IS QUOTED FROM THE CORVETTE CARAVAN WEB SITE.]

"THE 6TH NATIONAL CORVETTE CARAVAN IS SLATED FOR AUGUST 28-31, 2019.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2019 and will mark the Museum's 25th Anniversary. Leading the charge will be Jeffrey Duda of Hainesport, NJ, a Lifetime Member of the Museum and previous co-captain of the New Jersey 2014 and 2009 Caravans.

Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum."

Event registration is now open.

EDITOR'S NOSTALGIA - 1973 Corvette

This was the last year Corvette had chrome bumpers and this time it was only the rear bumper. The previous chrome front bumper was abandoned in favor of a body-color front end collision system that met federal 5mph impact requirements for damage to headlights and safety equipment. Unfortunately, the new package added 35 pounds of weight to the car.

The hood was extended rearward to cover over the windshield wipers, eliminating the failure-prone vacuum-operated lift panels that were used between 1968 and 1972 to conceal the wiper mechanisms. Metal side impact beams were incorporated inside the doors, again per federal mandate.

A new coolant recovery system provided a reservoir to hold high-temperature coolant overflow and return it to the radiator once it cooled. New chassis mounts and rubber inserts inside metal sleeves better isolated passengers from road chatter; a sound-absorbing pad was added to the hood's interior surface, and sound-absorbing material was sprayed on several inner panels to deaden sound. Since the rear window was no longer removable, luggage space increased by two inches because of the removal of the window's storage shelf. And for the first time, radial tires were standard equipment.

Sales again climbed to over 30,000 units and five times more coupes were manufactured than convertibles.
